

VISWAM ENGINEERING COLLEGE

(Formerly Sir Vishveshwaraiah Institute of Science & Technology)

Madanapalle - 517 325

Our institution prioritizes maintenance and upkeep through a dedicated team that oversees regular maintenance of civil works, including furniture repairs, masonry, plastering, painting, carpentry, plumbing, and housekeeping. This team ensures the cleanliness and neatness of the entire campus, including restrooms.

Classrooms and Academic Facilities

Our classrooms are designed and maintained according to AICTE norms, providing a conducive learning environment with adequate carpet area, lighting, ventilation, and furniture. Additionally, our classrooms are equipped with LCD projectors and campus-wide Wi-Fi facilities. The institution also boasts two spacious seminar halls and an auditorium with state-of-the-art facilities.

Laboratories and Workshops

Our laboratories and workshops are designed and maintained according to AICTE norms, providing a practical and conducive learning environment. Each lab is well-equipped with experimental set-ups, computers, and peripherals, and is supported by a qualified lab instructor or mechanic. We ensure that students conduct experiments as per the University syllabus, and also provide opportunities for additional experiments beyond the curriculum.
